Hi Dr. Maxwell Ampong! Thank you and hope you are well. For your kind information, I have visited your YouTube channel. Your content is just wow and video editing is perfect, But the main reason the video goes viral is video SEO and Organic Promotion of your video's targeted audience. Your channel has only 22 subscribers and views are very low. Your SEO score is absolutely Low. For easy understanding please see the attached picture https://prnt.sc/fs3Z6L3LgUmT. Your video needs to be on-page SEO and Off-page SEO. Then you can see good results day by day And get lots of subscribers and views. if you want I can help you

#5 Massage Idea

Hello!! Your video content is really good and the editing is perfect. But views and subscribers are much lower. To increase subscribers and views, you need to do channel SEO, meaning your videos are not fully SEO.
Your SEO score is very low and has no high-ranking keyword, SEO Score you have to do 90 overs.
The main reason why videos go viral is because of video SEO, ranking keywords, and organic promotion.
If you do SEO and Promotion then lots of subscribers and views will come to your channel,
and you will be able to monetize your channel in a few days.
I can help you if you want. Also, your channel needs some more updates.
For now, you can do channel SEO or Video and organic Promotion.
Your channel will grow very fast.
Because your video content idea is so good

best regards
please respond me
